“Evening of Lights 2015” in Brielle

For the eighth consecutive year the municipality Havlíčkův Brod has given a more than 10 meter high Christmas tree to Brielle. The transport of the tree from the Czech Republic was again provided and sponsored by the company "Alphatrans" The stage on the market could only be built after 17:00, after a wedding had taken place.

In the pouring rain Hoi4u built in no time a nice stage. We often looked anxiously at the sky, but the weather gods were the "Lichtjesavond" benevolent. At 19:00 it was dry. Despite the previous rain, more than 300 people came to the market.

On Saturday December 12th there was a farewell evening for the guests and the host families.

Dance school "De Werkerr" had the ballroom made available for this meeting.

The Czechs entertained the audience with singing and lots of music.

Martina van Nes translated everything to and from Czech, thanks!

There was singing by Joop, Kees, Koos and Martin. Even the renowned Dorus had a comeback.

Karel Havlíček entertained the public very well with an extensive repertoire.

Agenda HBBC

Plans HBBC 2016

The exchange year begins on April 1th, when another group of Geuzen (beggars) from Havlíčkův Brod is helping in Brielle to liberate us from the Spaniards. This group usually consists of a mixed company, so many people from Havlíčkův Brod have the opportunity to establish contacts in Brielle. We of course hope to receive some public attractions, such as a music group and perhaps the blacksmith?

Then it's time for Brielle to go to the liberation May 8th in Havlíčkův Brod. As thanks for the beautiful Christmas tree we treat each year on something delicious. What's in 2016 is still a surprise

Student exchanges in 2016: A group of students from Brod will visit Brielle

If you are interested to join them once and perhaps to investigate the possibility of an exchange? Please contact one of the HBBC members. The first step to a beautiful experience for your association or group!

Also in 2016, again in December there will be a nice big Xmas tree on the Markt!
