“Evening of Lights 2016”

For the ninth consecutive year, the municipality Havlíčkův Brod has a more than 12 meter high Christmas tree donated to Brielle. The transport of the tree from the Czech Republic was again taken care of and sponsored by the company "Alphatrans". The tree could be decorated again with a platform sponsored by the company Hoogenboom.

Gregor Rensen, mayor of Brielle, welcomed everyone and especially the guests who had come from Brod to Brielle and made a Christmas market possible with handicraft products. The guests were all placed by host families. For this, our heartfelt thanks!

Agenda HBBC 2017

The exchange year begins of course on April 1, when another group of "beggars" (Geuzen) from Havlíčkův Brod is helping in Brielle to liberate us from the Spaniards. This group usually consists of a mixed company. So many people from Havlíčkův Brod have the opportunity to get contacts in Brielle. We also hope to receive some special attractions, such as a music group and perhaps the blacksmith?

After that it may be time for a group from Brielle to go to the liberation day at May 8 in Havlíčkův Brod. As a thank you for the beautiful Christmas tree we treat the people in Brod every year on something delicious. What it will be in 2017 is still a surprise.

In 2017, there will be another student exchange program. Pupils of secondary schools in Brod will visit Brielle.

Are you interested to join us, and perhaps to examine the possibilities of an exchange? Please contact one of the HBBC members. The first step to a beautiful experience for your association or group!

December 2017 there will be again a pretty big tree in Brielle on the Market! And perhaps again a cozy Czech Christmas market?
