“The celebrations of April 1” 2016 in Brielle.

A large delegation from Havlíčkův Brod has again participated the April 1 celebrations in Brielle. It has become a tradition that the Brielle street group "the Rebels" is reinforced by musicians and craftsmen from our partner city Havlíčkův Brod. Honza Schwarz had again a forge at the Maarland. Martin Lisy and Adam Nigos showed how to make protective clothing for knights. Christina Lutnerova with her band Paikot-Ikot was supporting the group with her music.

Work on the roundabout has started.

While in our sister city in the workshop of Radek Dvorak the stone for the artwork arrived , began work on the roundabout in Brielle.

This week the foundation has laid for the artwork.

With the help of several volunteers, including the Task Force “Kanonnen en Affuiten” the formwork for the concrete is made.

Thanks to the materials and labor of our sponsors Minekus, Van Groningen Demolition and ENCI / Mebin, we limited the costs.

First of all plants have to be removed and the site has to be prepared for the construction.

Agenda HBBC 2016

April 1 is already behind us. It was a successful party and the weather gods were very favorable.

In May a delegation departs to celebrate the Liberation Day on May 8 in Havlíčkův Brod. As a thank you for the beautiful Christmas tree we treat every year on something delicious. What it will be in 2016 is still a surprise. Want to come along? Contact us!

If you are interested to join them once and perhaps to investigate the possibility of an exchange? Please contact one of the HBBC members. The first step to a beautiful experience for your association or group!

Also in 2016, again in December there will be a nice big Xmas tree on the Markt!
