“Evening of lights 2014”

For the seventh consecutive year the municipality Havlíčkův Brod donates more than 10 meter high Christmas tree to Brielle. The transport of the tree from the Czech Republic was again provided and sponsored by the company "Alpha Trans International"

Lots of parents came on December 12 with their children at the evening of lights, to view the beautiful drawings. The drawings were hung around the tree. After a very rainy day, it was about half past seven dry and the party could begin.

At 7'mayor G. Rensen thanked the partner city Havlíčkův Brod fot the beatifull tree on the Markt. He also thanked

Art on the Havlíčkův Brod round about?

A visit to the sculptor Radek Dvorak in Havlíčkův Brod has led to the idea of a statue on the roundabout Havlíčkův Brod at the entrance of Brielle. That would be a nice addition to Brielle and lasting impetus to friendship with the people of other countries and those of our sister city in particular. The proposed title of the picture is very understandable: COMPREHENSION

The HBBC is trying to achieve this all together with the enthusiastic Klaas Schipper, Wim Kabouw and Peter Kroone.

The first hurdle is getting a permit from the county. Then sponsors will be sought for the cost of the image itself and the setting. It would be a beautiful expression of the enduring bond of friendship at the entrance of Brielle.

In the pictures a first impression of the work. The final effect will remain a surprise!

Agenda HBBC

HBBC Plans for 2015

The exchange next year begins on April 1, when another group of beggars from Havlíčkův Brod in Brielle helps to free us from the Spaniards. This group usually consists of a mixed company. Many people from Havlíčkův Brod get the opportunity to meet people in Brielle.

In Havlíčkův Brod we have the celebration of the 30 year twinning / twinning between our two cities. As a thank you for the beautiful Christmas tree we treat every year on something tasty. What's in 2015 is still a surprise

Are you interested to go to the 30th anniversary celebrations and perhaps explore the possibilities of an exchange? Please contact one of HBBC members. The first step towards a beautiful experience for your club or group!

Also in 2015 again in December in Brielle! A nice big tree on the Market .
